## Kirk Bloodsworth Death Row Exoneree

*The Death Penalty*

*A Vital Issue for People of All Faiths*

**2-4 p.m. Sunday, February 26, 2012**

**Mt. Lebanon United Methodist Church**

**3319 West Liberty Avenue**

Kirk Bloodsworth is the first American sentenced to death to be exonerated by DNA evidence. Convicted in 1985 of the rape and murder of a young girl, he spent nine years in prison, two of them on death row. He was finally exonerated in 2003 of the crime he did not commit.
